Summary

I am seeking a driver or similar position with a well-established organization, in which I can combine my experience and knowledge along with my outstanding work ethic, to be an effective and contributing team member.

Highlight of Qualifications

- Licensed CDL Class A Driver with experience in loading and securing cargo, dock delivery and unloading, and pickups.
- Warehouse experience; sorting, grouping, and organizing, driving a forklift, providing general maintenance.
- Great attention to detail and quality control, follower of policies and procedures, safety conscious.
- Collaborative team player who can also be trusted to work independently, natural leader by example.

Relevant Work Experience

Truck Driver

3/2019 – 7/2019

Westside Transport

Duties: On a by assignment basis, picked up and secured cargo and delivered dock to dock. Inspected truck and trailer for safety, ensured all paperwork was up to date and available, and maintained logs.

Warehouse Worker

11/2015 – 3/2018

Republic Services Recycling

Duties: Performed a variety of tasks with increasing responsibility over time. Sorted items on production line, drove forklift, provided all maintenance services.

Part Time Supervisor

8/2004 – 11/2011

UPS

Duties: Oversaw processing and loading of packages, performed quality control, supervised staff and entered their hours in to system for payroll processing.

Education

Fort Zumwalt West High School

Diploma

160 Driving Academy

CDL Class A License
