Form W-4 (2012)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2012 expires February 18, 2013. See Pub. 505, Tax Withholding and Estimated Tax.

Note. If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$950 and includes more than \$300 of unearned income (for example, interest and dividends).

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity

income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2012. See Pub. 505, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).

Future developments. The IRS has created a page on IRS.gov for information about Form W-4, at www.irs.gov/w4. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted on that page.

INJURY MANAGEMENT PROGRAM

Injured Worker's Responsibilities

Employees are required to report all job-related injuries to your Manager or Human Resources immediately after the occurrence. *The Manager along with the Employee will conduct an accident investigation.* Human Resources or the Manager may provide first aid treatment. If your injury needs to be seen by a medical provider:

- 1. A medical referral form must be picked up from the Human Resources or the Manager to take along to the medical provider before each medical visit (except for emergencies).**
- 2. The completed medical referral form must be returned immediately to the Human Resources after the medical provider's visit along with the date and time of next appointment.**
3. Any change in attending medical providers must be approved by the Insurance Carrier or coordinated with the Human Resources.

If your job assignment aggravates an already existing physical condition, notify your immediate Manager and Human Resources. A review of your job assignment will be made.

As your employer, we are concerned about your full recovery. Reasonable and necessary medical care will be paid for any compensable work injury. Medically authorized time away from work will be reimbursed in accordance with the State of Minnesota workers' compensation laws. Wherever possible light duty restrictions imposed as a result of your injury will be accommodated.

RESPONSIBILITIES OF THE INJURED WORKER:

Minnesota Rule Sec. 5221.0430, Subp. 1 requires that you choose one primary health care provider. Subpart 2 places limitations on your right to change primary health care providers. Discuss with your employer any change in health care provider.

Attend all scheduled appointments. While on physical limitations, visits should be a minimum of once every two weeks. Failure to have current medical support for disability may result in termination of benefits. Schedule your next appointment immediately after your doctor visit, before you leave the clinic if possible.

Obtain a Report of Workability from your physician at every appointment, a minimum of once every two weeks. M.R. 5221.0420 requires that your physician cooperate with return to work planning and that you be released to return to work at the earliest appropriate time.

Immediately following your appointment, provide a copy of the report to the designated employer representative. You should deliver this in person so that changes in work restrictions may be addressed and any questions answered.

Follow all physical restrictions at home and at work.

Report to work and perform physically suitable tasks as assigned. These may or may not be in your regular department. The work may or may not be on your usual shift.

Maintain regular, weekly, communication with your employer if you are unable to return to work. Contact your employer a minimum of after every visit with your primary health care provider. Keep the claims representative advised of your status.

Notify your employer immediately of any new injuries or conditions that impact your physical condition.

If it is necessary to miss scheduled work due to a work injury, you must be seen by your primary health care provider the same day in order to receive compensation for the time away from work. The physician must complete a Report of Workability.

I have read my responsibilities and agree to abide by these guidelines.

Signed: Sarah Chouard

Printed Name: Sarah Chouard
