Supervisor Comments	
<p>Charles has been a good asset to the team. His has a strong present in the group and has been able to accommodate the needs of Commissary Sanitation. One thing I would like for Charles to remember there was an incident in Bakery where he was confused about where he should be on his start. Charles left the building in frustration. If there is any confusion with CMG down the road Charles must notify the Manager to gain true understanding. This can be misunderstand as job abandonment.</p>
