Work Experience

Warehouse Associate

REH Distributing-Cincinnati, OH

2006 to 2018

I worked alongside 5-8 other employees daily in a shipping department for a distribution company that shipped to over a hundred hobby shops along the east coast.

- Received, inspected, and documented incoming shipments of products
- Efficiently organized and maintained inventory in accordance with company standards
- Accurately picked and packed orders for shipment, ensuring proper labeling and documentation
- Collaborated with team members to complete daily tasks in a timely manner
- Assisted in conducting physical inventory counts to reconcile stock levels
- Maintained a clean and organized work area, promoting safety and efficiency
- Followed all safety protocols and procedures while operating machinery or handling hazardous materials
- Trained new warehouse associates on proper procedures for receiving, storing, and shipping products
