Work Experience

Carpenter

Carpentry Contractors Company - Otsego, MN

March 2017 to June 2017

we did house wrap, window installation, door installation. When there was down time or maybe all ladders were being used I made sure the site was as clean as I could get it.

Crew Member

schaefer auto - Menahga, MN

June 2017 to October 2017

I was able to put my skills to use and be apart of a hard working and good crew. I was excited about starting with this crew. I was always on time and stayed till my hands were no longer needed. We framed from start to finish a 110,000 sq ft garage for semi trucks and other large vehicles. I used many different powers tools and cut many different shapes and angles. we sided the huge garage.

Construction Laborer

Urban Homeworks - Minneapolis, MN

June 2015 to October 2016

Here I was apart of an construction team of 5. we remodeled forclosed homes. We did various job scopes such as demolition, many different tasks of rough framing. set up poured and finished concrete, we poured sidewalks, stairs, patios, and garage slabs. For small areas of concrete I would always volunteer to hand mix and finish bags of concrete while other start on different projects.

Carpenter

Northwoods Construction - Minneapolis, MN

October 2017 to August 2018

Framed pre-fabricated homes though out the west metro area. we also did multi-units .I learned a number of different things , such as party walls , nailing pattern on a roof truss , and how to signal to a crane operator.
