Get into an exciting new career working on electronics and management.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Installer

AV Tech Systems, Inc. - Golden, CO

April 2014 to Present

Turning vehicles into emergency vehicles for Police and fire departments. Sometimes, fabrication of different parts is required, as well as making sure I put out a clean, working install, with everything from lights to seats and partitions.

Cannon Crew Member

Arp2012 US Army - Fort Hood, TX

November 2007 to November 2012

Gunning, arms room NCO (Sergeant). As the armor I was in charge of repairing the weapons for my battery there were 147 weapons that I maintained and stayed accountable for as well as about 4.5million dollars in other equipment. I also helped in the TLK where I keep communication with our 1st Sergeant and Battery Commander as well as with our Battalion CSM and Lt. Colonel.

Installer

Circuit City - Westminster, CO

January 2006 to November 2007

Provided onsite training. Worked directly with clients, and management to achieve the highest add-on sales. Repaired the sound boards. Installed car audio.

Installer

Cartoys - Northglenn, CO

June 2001 to November 2005

Won the Biggest, Baddest, and Boldest Install challenge from MTX. Worked on all the cars the others didn't want to touch which were most of the classic cars that came in. As well as helped with any custom jobs that needed to be completed. We did a lot of add on sales at this company which gave me the experience in sales as well as installing.
