Walmart store 1045

April 2024 to July 2024

Stocking, setup modular and end caps, also pricing labels and clearance department

Quality Control Inspector/Machine Operator

CoorsTek-Golden, CO

December 2017 to March 2024

Machine Operator for 2 years then promoted to Inspector for 3 years. Maintained accurate records of all inspection results and corrective actions taken. Conducted tests on materials, components and finished goods to verify quality specifications. Created reports detailing findings from inspections performed throughout the day. Provided feedback regarding changes needed to improve production processes and product quality.

Quality Inspector

TENERE INC. LONGMONT/WESTMINSTER DIVISION-Broomfield, CO

November 2015 to November 2017

Responsible for processing inspections, dimensional & tolerance measurements from blueprints with the use of calipers, pin & radius gauges. Technical measurements on an optical comparator, digital indicator & CMM. Verified machine status, packaging & job book procedures that should be adhered to by supervisors & operators. Utilized problem solving in process or with written discrepancy reports on rejects. Receiving & final inspection on incoming goods & finished production parts.

Independent Contractor

ELITE LOGISTICS/MOUNTAIN STATES TOYOTA-Denver, CO

June 2013 to November 2015

Pull and pack orders for local business delivery for dealership.

Delivery Driver/Warehouse Stocker

WorldPac-Englewood, CO

August 2006 to April 2013

Pull & pack auto orders for delivery. Digital scanner used for tracking. Customer deliveries on four (4) assigned routes, average 30 deliveries & 200 miles per day. Other duties included scheduled return

item pickups at delivery locations, cash & check collection for payment transactions, stocking of parts/inventory at main warehouse.

Delivery Driver

NOBLE LOGISTICS/MEDVED AUTOMOTIVE-Denver, CO

August 2002 to August 2006

Delivery of major automotive parts to customers throughout Denver Metro & Evergreen service areas; personal vehicle used. Cash/check handling for payment upon delivery. Customer service needs met & handled individually through dealership. Worked in a team environment with both internal & external customers. Worked with minimal supervision.
