Work Experience

Laborer

Mountain Temp Services LLC - Longmont, CO

January 2021 to Present

I do laboring for whatever job they throw me on. I have done a lot of different things when it comes to construction. I have also done flagging for this company

Assembler Line Worker

Circle Graphics - Longmont, CO

September 2020 to November 2020

Assembled paintings. Printed folded and placed the back on canvas being ordered by customers.

- Ensured job was performed in a clean and safe working environment

Window Installer

Jmac windows - Thornton, CO

September 2018 to September 2019

I worked in construction installing windows. I had to prep the seal make sure the window would fit and install it.

Team Member

Silvermine Subs - Longmont, CO

August 2018 to January 2019

I did the prep as well as made the sandwiches and took orders.

Team Member

Last stand tavern - Golden, CO

April 2018 to September 2018

Made food, cleaned up after people, did dishes.

Team Member

Marshalls - Longmont, CO

March 2016 to August 2016

Hung up close and was cashier. I liked being cashier because I could talk to people but hated hanging up clothes and putting things in shelves.

Education

Some college in Computer Information Systems

Front Range Community College - Longmont, CO

August 2016 to August 2019

High school diploma or GED

Goal Academy - Longmont, CO

August 2018 to April 2019
