- Ability to follow instructions
- Dimensional measurements

- Fabrication
- Microsoft Office
- Micrometer
- Manufacturing
- Hand tools
- Teamwork
- Calipers
- Quality Inspection
- GD&T
- Machining (10+ years)
- Tape measure proficiency
- Basic math (10+ years)
- Attention to detail
- CNC Milling Machine
- CNC programming
- Continuous improvement
- Power tools
- Blueprint Reading
- Manufacturing company experience
- Quality control
- Communication skills
- Precision Measuring Instruments
- Blueprint dimension interpretation
- Sales (3 years)
- CNC Lathe
- 5S
- Quality assurance
- Typing
- Forklift
- Customer service (3 years)
- English
- Schematics
- Tooling

Certifications and Licenses

Driver's License
