

Objective

Seeking a position that will use my skills in welding and fitting

Skills

- Strong Work Ethic: punctual, willing to work night shifts, on-task entire shift, quality workmanship
- Welding: MIG, TIG, Dual-Shield, Metal-Core, Stick, Pipe, all positions and all thickness; Aerospace TIG; Complete Joint Penetration (CJP) on Structural Steel; Torch Cutting and Plasma Cutting
- Mild and Stainless Steel, Aluminum, Inconel Alloys
- Fitting and Blue Print Reading for structural steel fabrication; Aerospace Air Duct tube fitting; Pressurized Tank fitting; Pipe fitting; General fitting for Truck Assembly; Classes in blueprint reading and pipe layout; Art Projects/Metal Sculpture fitting.
- Practical Working Knowledge of Handheld Tools
- Practical Working Knowledge of the following fabrication shop equipment: JIB Crane, Overhead Crane, Air Tools And Belt Sanders, Sizing Equipment, 60 ton Shear/Press Brake, Horizontal and Vertical Band Saws, Bench or Pedestal Wheel Grinders, Cold Saw, 60 ton Ironworker, Oxyacetylene Straight Line Cutting Torch, Plasma Cutter, Drill Press, Chop Saw, Press Brake, Pipe Bender, MAG drills, Air Drills and Grinders, Sand Blasting Equipment
- Practical knowledge of driving delivery trucks with stick-shift transmissions
- Certifications: AWS Certifications – all positions and thicknesses pipe, all positions and thicknesses dual shield, all position and thicknesses 7018; Shop Certifications – Aerospace TIG, dual shield and metal core, 3/8 Vertical Up Stainless MIG

Education

- Jan. – Feb. 2013 Oxarc Welder Trainer Program Spokane, WA
- AWS Pipe Certification: all thickness all positions
 - AWS 7018 and Flux Core: all thickness all positions
- July 2010 – July 2011 Anaconda Job Corps Anaconda, MT
- Vocational Trade Program; Basic and Advanced Welding
 - High School Diploma

Work Experience

- June 2018 – October 2020 Tradestar Salt Lake City, UT
- Customized specialty trucks for mining operations/explosives
 - MIG, TIG, and Dual-Shield Welding
 - Stainless, Aluminum and Mild Steel
 - Fitting and Assembly Truck Components
 - Pressurized Tank Fitting and Tank Welding
 - Pipe Fitting Welding
 - Blueprint Reading

Dec. 2017 – June 2018 Vista Outdoors - Blackhawk Manhattan, MT

- Production Operator

Dec. 2016 – Nov. 2017 ADF International, Great Falls, MT

- Welding and Fabrication: CJP, Metal Core, Flux Core
- Fitting and Blue Print Reading
- Air Arc, Grinding, Torch Cutting

Feb. 2016 – July 2016 Vista Outdoors - Blackhawk Manhattan, MT

- Production Operator

Sept 2015 – Feb. 2016 Plastic Design & Manufacturing Manhattan, MT

- Press Operator

June 2013 – March 2015 Montana Precision Products Butte, MT

- Aerospace TIG Welding
- Fabricated Air Duct Parts for Jet Engines

Aug. – Dec. 2012 Hogin Machine, Inc. Gallatin Gateway, MT

- MIG Welding
- Making various Machine Parts
- Metal Cutting
- Delivery Truck Driver

July 2011 – June 2012 Do All Metal Fabricating Glenburn, ND

- MIG, Dual-Shield, and Stick Welding
- Fabricate parts for oil rigs
- Fabricate Wench-Trucks

Licenses

- Standard driver's license
