March 11th 2013,

To: Whom it may concern:

I would to recommend Sidney Harlan for a position in your organization. Sidney was a student of mine in the Building Utilities Mechanic Program. Sidney was an exemplary student that was dependable, eager to learn, and always got along well with the instructors and fellow classmates. I feel that his work experience, knowledge, and personality would be a great asset to your organization!

Sincerely,

David Lexvold
