WORK EXPERIENCE

Material Handler

Centry, Carrollton, TX -

2017-02 - Present

Operate the Ramond reach truck to bring material to the lines so that product can be made, as well as getting the finished product and having it wrapped so I can stage it. I also run the lines making the product and putting it in boxes so it can be stacked to be taken. Training new employees. Some Lead background.

Reach Truck Operator

P&G - Wilmer, TX -

2015-09 - 2017-01

Operate Ramond and crown reach trucks to do staging and order pulling as well as putaways.

Plant Operator

Gilco Contracting - Benbrook, TX -

2014-08 - 2015-09

Operate the plant to produce product so it can be shipped out onto the work area while having constant communication with other supervisors as well as my team.

Assistant store manager

Family Dollar - Glenn Heights, TX -

2012-01 - 2014-08

Open and close the store as well as doing money drops in the mornings. Run cashiering and work the floor keeping the store running good and keeping it looking in good conditions
