EXPERIENCE

Rudi's Organic Bakery • *Machine Operator/Line Lead*, Boulder, CO (2013 to present)

Operate and manage a bread manufacturing machine and a small production team. Trouble shoot and provide preventative maintenance in a fast paced manufacturing environment to produce quality products efficiently.

Sawhorse Studio, Inc • *Project Manager*, Boulder, CO (2006 - 2013)

Directed projects for a specialty design/build company providing custom playgrounds and play structures for residential and commercial clients. Attention to details, integrity and consistently delivering beyond expectations lead to a 100% referral rate from clients.

Sawhorse Gang • *Owner*, Boulder, CO (January 2004 - present)

Provide the experience of woodworking to kids between the ages of 4 and 11. Lead workshops, after-school programs, camps and parties in which children build small projects using small hand tools and wood. It is a goal to someday establish a Foundation based around this concept.

Eco Handyman • *Remodeler*, Boulder, CO (January 2005-2006)

As a remodeler, I provided a range of construction services to clients. Managing a range of remodel projects directly with clients I efficiently performed electrical, plumbing, woodworking and general construction repairs.

Kurt David Remodeling • *Remodeler*, Boulder, CO (January 2002 - 2005)

From routine maintenance to custom bath and kitchen remodels, I developed excellent trusting relationships with homeowners and provided high quality installations and services that stand the test of time.

EDUCATION

Ball State University • *Bachelor's of Arts*
