Objective

- To obtain a position with promotional opportunities where I will be challenged and able to help the company move forward in growth while maintaining a safe environment.

Summary

- I am a reliable worker who will be on time and highly motivated while working. I am also a safety minded person who pays attention to detail to help maintain a safe environment for workers and civilians.

Strengths

- **Leadership:** I am able to motivate a team to work harder and complete a task with better timing while maintaining quality.
- **Responsibility:** I am accustomed to being in positions of responsibility; self-motivated and willing to set goals and work to achieve them.
- **Reliability:** I am able to get task done efficiently in a timely manner while maintaining safety protocols and being able to arrive at work on time consistently.

Experience
