SUMMARY

Due to personal family matters, I was unable to work for a lengthy period of time. But I am excited to join the workforce and provide for my family again.

EXPERIENCE

Warehouse/Night lead

June 2002 - September 2003
Calpak Delivery
3422 51st ave
Sacramento, CA 95823

I worked for Calpak Delivery for about a year. I travel from our office to our client Allegiance Medical to organize the shipment of medical supplies. My duties there was to insure all the shipments was accounted for, accurate and properly secure. The second half of my job requires me to be back at the terminal to load inbound and outbound freights. I worked alone and unsupervised. I was certified in all forklifts and electric pallet jacks and other similar equipments. This company went bankrupt and is out of business. Here's the last known corporate address and phone number.

1951 Fairway DR#A
San Leandro, CA

Sheet Metal Fabricator

March 1999 - June 2001
Beutler heating & Air
4700 Lang ave
McClellan, CA 95652
916-846-2222

I was a sheet metal fabricator for HVAC company. I made air ducts, roof flashing, downspouts, and everything else that is needed for new constructions using various size/gauge sheet metal.

I read blueprints and make what is needed using sheet metal tools and machines like shears, brake, plasma cutters, welding, spot welding, soldering, etc.
