WORK EXPERIENCE

PCA - Semcil - Rochester, MN - 2006-06 - Present

Currently still working flexible part time hours consisting of visiting clients in their homes, prepping and cooking meals, cleaning, providing hands on care, and even shopping.

Resident Assistant

PCA - Semcil - Rochester, MN - 2015-03 - 2017-01

Developed extensive compassion and understanding by working with people suffering from dementia and Alzheimer's. Provided hands on care and became adept at lifting and transferring using a Hoyer lift. Also became well versed in providing personal cares and following procedures and protocols.

Cook Supervisor

Samaritan Bethany - Rochester, MN - 2001-01 - 2004-08

Position required attention to detail and management abilities to delegate tasks, as well as highly developed interpersonal skills. Perfected being a team player by supervising dietary aides, but still maintained a degree of control to ensure everything ran smoothly. Additional responsibilities included serving and prepping food.

Assembler

Telex Communication - Rochester, MN - 1998-09 - 1999

Basic factory work requiring accuracy, speed, and a strong work ethic. Learned to follow procedures closely and specifically as well as to be more accountable, particularly regarding how important consistency is.

Receptionist

Paradise Health Center - Modesto, CA - 1997 - 1998

Answered phones, scheduled appointments, greeted clients warmly and learned to diffuse upset customers through genuine understanding and care. Learned to perform a number of administrative tasks including filing and prioritizing workloads.
