2300 Quincy St. NE
Minneapolis, MN 55418

Qualifications

Master Control Operator, Acquisition and Distribution, Camera Operator, Tape Archivist, Projectionist, Building Maintenance, Customer Service and Reception

Experience

- Editing play lists to verify accuracy of commercial logs and show formats
- Encoding commercials into video servers
- Tuning Satellite down links and fiber optic feeds for live events
- Recording and preparing television shows for playback
- Operating Waveform Monitors and Vector Scopes
- Maintain and organize tape archives
- Setup and tear down for events hosted by station
- Screening Television programs for appropriate content
- Front desk and switch board experience focusing on customer service
- Due to downsizing at the CW, I was willing to assist all departments to perform various tasks: assist with engineering maintenance, deliveries, remodeling, promotions, and maintaining storage areas.
