Work Experience

Delivery Driver

DoorDash-Denver, CO

June 2024 to December 2024

Select order from customers

Pick up customers order from restaurant/ store.

Deliver their merchandise on time.

Production Worker

Crystals Packaging-Henderson, CO

February 2020 to May 2024

Worked on the production line filling up tubes of house cleaning products . Boxed them up and sent out for shipping. Occasionally used RF scanner to select merchandise needed for packaging and shipped out.

Picker/Packer

Schneider Electric-Smyrna, TN

August 2018 to December 2019

Picked out merchandise clients. Packaged and sent out for shipment. Used Rf scanner for items that needed to be picked out of inventory

Stocker

Walmart-Denver, CO

August 2009 to November 2016

Used RF scanner to pick items from back room. Stocked said items on the main sales floor. Also helped customers to find items they needed. I was also trained to unload semi trucks in the back of building.

Unloaded trucks when short staffed.

Education

G.E.D.

Northglenn High School
