Employees make the company what they are

Thornton, CO 80260

itsyoboysteve@gmail.com

3038756971

I am a self reliant type of employee that is seeking to expand my skills. I like project type of work. I enjoy working in the outdoors. I like supporting a company that cares for and supports their employees. I like fixing things. I really enjoy problem solving. I like things to be neat and organized. These are done of the things which I have to offer as an employee, and I look forward to hearing things you have to offer to your employees.

Work Experience

Forklift Operator

Hardwoods Specialty Products - Commerce City, CO

October 2018 to Present

Responsible to read and pick orders correctly and safely. General warehouse cleanliness. Ability to unload deliveries, as well as inventory the product. Working alongside sales Representatives to make sure the customer gets what they need for the job.

3rd Key Manager

Safeway - Thornton, CO

July 2007 to September 2018

I was in retail management for a long time while working for Safeway. I learned many skills including customer service, attention to detail, supervision of each department. I would lead weekly group projects. I was responsible for store inventory, and keeping shelves stocked. I was responsible to report store numbers and work with the corporate offices to improve sales. I worked with outside company's to ensure resets were done properly. I was trained in food and safety, and made daily walks ensuring we were following all protocols involving good safety. I was responsible to work with the health department, as well as the fire department to ensure the store was clear of safety hazards.
