## Experience

### **Lawn care technician**

Paul's lawn and landscape

May, 2017 —

I have about 3 years warehouse experience and have operated several types of fork trucks off and on for over 20 years. I am looking to get away from the seasonal outdoors work and settle into an established company I can make a career out of.

## Education

### **North Posey High School**

Diploma, January, 1993

I graduated on time and was interested in sports and work.
