OBJECTIVE

Warehouse worker. I have 15 years of warehouse experience. Such as picking orders, working in packing and shipping. Moving loads within the warehouse, using pallet jacks and motorized pallet jacks. Using shrink wrap machines. Staging loads for customer pick up. Setting up work stations for future projects. Pulling orders using RF guns and placing orders to be shipped. Also have run filler machines, capping machines, and label machine and case packer.

JOB HISTORY/DUTIES

Picker Packer

Abbott Medical/Nexpro Staffing
Roseville, MN

Start Date: 08/04/2018 End Date: 04/05/2019

Pick orders using hand guns and RF scanners. Confirm order and place in proper box for shipping to customer. Move orders to meter station and weigh and using SAP system to print label and place label on package for shipping.

Punch Press Operator

Great Batch / Nexpro Staffing
Mpls, MN

Start Date: 11/24/2017 End Date: 05/08/2018

Find assigned Press to work at. Check order to run, verify material to be used. Set up trays to put finished product in. Run Punch Press to specification on order. Check parts on regular basis for any flaws, contact Inspection for any questions on order. Keep hourly records on amount ran. Finish order or leave corrected paper work on traveler that stays with the order

Picking and Packing

DRC /Doherty Staffing
Brooklyn Park, MN

Start Date: 12/16 End Date: 05/17

Picked SAT. tests materials for schools using pick list. Place items on carts to be inspected down the line. Worked in Inspection to insure all materials are together for the order. And check for any damaged product.

Machine Operator

Northern Star Foods
Chanhassen, MN

Start Date: 6/12 End Date: 4/14

Ran filler machine to package mashed potato into trays. Saw that tray was sealed and date coded. Then trays went into cooler and then into packing.
