Overview

I will be a great asset to your company because I am a fast learner, possess great work ethics and perform any task given to the best of my ability. I work well in a team environment as well as being a self-starter. Over the past twelve years I've gained a lot of experience in the oil and gas industry while working with all different types of oil and gas wells, oil equipment, construction, warehouse, heavy equipment and always maintain a safe work environment. I'm open to learn something new and If given the chance to work for your company I will prove my knowledge, hard work and desire to keep learning about the job.
