646-580-7899

I am wanting to learn and expand my skill set, I am a young man that's self motivated to get out there and ready to learn and easy to work with. I've always had a interest in mechanics and been able to understand how it works.

## Skills Summary

Good with hands, problem solving, numbers, social skills, hard worker, fast learner, know how to operate tractors and combines, commercial driver license

## Education

### *Cheyenne central high school*

- Been in advance math since elementary school
- 23 on act
- Graduated 6 months early

## Experience

### *Roland Custom Harvesting*

*Harvester/ June 2021-November 2021*

Ran grain cart, Combine, drove truck, did mechanic work on combines, tractors, semi trucks. Have hauled oversized loads across the country. Have had to use business social skills with farmers we have cut for.

### *Panda Express*

Cook/ May 2020-May2021

Cooked abs prepared food, customer service, took orders up front and drive thru, handled money, dealer with chemicals (for cleaning), helped keep track of inventory
