Work Experience

Supervisor/Manager

Revision Property Management - Detroit, MI

November 2016 to April 2018

Here I supervised and assisted in the building and rebuilding of property acquired by the company.

Lead Warehouse Associate

Sandvik Materials Technology - Houston, TX

May 2014 to October 2016

Here I served as the lead operator of the coiling department, where we mainly supplied the oil fields and some world renown stainless steel, and designer companies. This job included but was not limited to, Saw operating, over head crane operating, heavy forklift driving, stand up forklifts, reach trucks, order selecting, calibrations, q/a, site planning, performance of periodic maintenance to some of our heavy machinery, coiling, aquadining etc..

Forklift Operator

Flooring Solutions Inc.

November 2012 to March 2014

Here I worked as a full time order picker, forklift/polelift operator . This was a temp to hire job that ended a little over a year after I started.

Crew Member

Bouma Corporation - Grand Rapids, MI

January 2008 to September 2012

Here I served as a crew member doing demolition, painting, drywalling, framing etc. This company travels so my job with them ended.
