I have over 20 years of manufacturing and production experience. I started at the bottom and worked my way up in 2 different plants. I have held job titles from operator to production/shipping manager, including customer service.

Authorized to work in the US for any employer

Work Experience

Quality Technician

Lyons Magnus - Richwood, KY

September 2017 to Present

I am a Quality Technician for a food manufacturer. I inspect and test the products to make sure they are in specifications.

Material Handler/Forklift Operator

Dorman Products - Warsaw, KY

February 2014 to Present

I pick orders in the warehouse using a stock picker/truck

Quality Inspector

Martinrea - Shelbyville, KY

Responsibilities

I do all the quality checks on the body of the Ford Explorers. I check all the holes, welds and surface every hour. I also do all the paperwork for this process.

Production/Shipping Manager

Lorient North America - Lexington, KY

February 2004 to November 2009

Responsibilities

I was responsible for all of the production scheduling/hiring/shipping of products and customer service for this company.

Inventory Control Specialist

Jones Plastic - Jeffersontown, KY

January 1993 to April 2004

Was over all of the inventory in the plant. Updated it all in the computer. Cycle counts. Organized yearly physical inventory.
