Work Experience

Material Handler

SAWST Veteran's Administration Logistics - Golden, CO

February 2020 to Present

Forklift operator, pick and pack orders, load and unload freight. Refurbish medical devices and telehealth equipment for redistribution to U.S. Veterans. Familiar with UPS and FedEx labeling via computer. General warehouse maintenance.

Receiving & Inventory Clerk

Sodexo / Colorado School of Mines - Golden, CO

July 2016 to February 2020

Manage food service inventory, receivables and general operations for student dining hall. Monitor overages, shortages and damages to ensure proper credit to client. Unload freight, sort and segregate product to maximize space and efficiency of food storage. Maintain cleanliness of freezers, coolers and dry storage to comply with OSHA standards. Cross-trained to augment dish room, front of house and back of house to fill service gaps. Recognized for my outstanding contributions to ensure safe and smooth operations by standardizing processes and improving work methods. Awarded safety & attendance bonus.

Shipping Clerk

Sports Authority - Denver, CO

May 2012 to March 2016

Responsible for loading and unloading trucks with sports equipment and store inventory; processed incoming freight and managed general warehouse upkeep and maintenance. Recognized for exceptional work ethic and attendance.

Production Team Member in the Shipping and Bakery

Safeway Inc - Denver, CO

March 2011 to January 2012

at major plant location. Prepare and load bakery items for shipping, operate ovens and mixer, general labor and maintenance. Seasonal position.

Receiving & Stock Clerk

Meijer Inc - Niles, IL

November 2009 to November 2010

Team leader for nightshift inventory intake and stocking for regional discount grocer. Receives all inbound product and is responsible for breakdown, sorting and segregation for frozen, dairy and dry grocery products. Conducts quarterly inventory management and serves as lead back-up to fill scheduling or staffing gaps.

Shipping Clerk

Midstates Express - Glenview, IL
September 2006 to April 2009

Lead dockman for high-volume regional line-haul and LTL operation. Responsible for routing freight, loading and unloading freight and OS&D. Supervise three dockworkers, maintain warehouse and grounds. On call 24/7 as lead dockman.

Shipping Clerk

Camfil-Farr - Crystal Lake, IL
August 2004 to June 2006

Responsible for inventory management and warehouse maintenance for national heating and air conditioning unit distributor. Operate forklift and overhead cranes to prepare orders for shipment. Other duties include cleaning warehouse and offices.

Lift Truck Operator

Shaw Industries - Elgin, IL
January 2002 to August 2004

Duties included loading and unloading shipments for national carpet and flooring distributor. Utilized RF scanning and bar code equipment for inventory management. Also performed general maintenance and upkeep of warehouse facilities. Consistently selected for overtime work based on quality performance and stellar attendance.

Import/Export Clerk

CLP Transportation - Northlake, IL
November 1998 to November 2001

Supervised work crews, freight loading and unloading, handling of import manifest documentation, daily operation of clamp and drum picker attachments, general housekeeping and inventory duties.
