**Skills:** I have good written and oral communication skills. Over the years i have worked or ran multiple warehouses both shipping and receiving. I also possess many types of retail experience from inventory to customer service in a large setting. I am also skilled in using multi-line phones, copiers, fax machines, Microsoft office (Word, Excel, Power point) and the Internet. I possess excellent inside and outside sales experience along with customer service skills. My work experiences have developed my ability to work as a team member and/or independently.
