

**THOMAS PAUL**  
**413-241-1978 [thpeggman65@yahoo.com](mailto:thpeggman65@yahoo.com)**

**OBJECTIVE**

**Seeking a position as a Machine Operator or Forklift Operator.**

**EXPERIENCE**

**Meredith Springfield:** I am a **Inspector Packer** from **06/13/18 – present** I am responsible for my own inspecting and packing of molded plastic production part's, such as Bottles and plastic Glasses.

**Expert Staffing:** I was assigned to Niagara Bottling in Bloomfield CT from **9/17-4/18**. I was trained on their Blow mold labeling machine. I was responsible for 100% of my own inspections. I was also responsible for the up keep of the machine, unloading the catch baskets and catch basin and cleaning out the machine as needed.

**Coworx Staffing,** , as a **Clean room machine operator**. I was also assigned to **MedPlast** in Chicopee Mass. From **05/17 – 08/17** As a **Molding machine operator** and **Bridgeport operator**. I did **West Springfield, MA**. I was assigned to a **Vaulpel** in Agawam from **7/8/13-1/8/14**. I did all my own inspections as well as using hand tools to trim and inspect my parts.

**National Vinyl LLC. Chicopee Mass.** From **5/16 – 2/17** I was assigned to the Glass Line as a loader for the washing machine and as an **Assembler**. I was also assigned to the porter position so I could help keep the factory clean as well as the bathrooms and office.

**Elite Staffing, South Deerfield Mass.** I was assigned to a company called **Pelican Plastic**. From **10/15-05/16**. I was assigned as a line worker. I used hand tools to do all of my work by hand. I was also responsible for 100% of my own inspections. I was assigned to a team but I also worked on my own as well.

**Monroe Staffing, Trumbull CT.** I was assigned to **Barnes Aerospace in Windsor**, from **2/27/14-6/10/15**, as a DE burring bench person I used hand tools to all of my own inspections.

**Monroe Staffing, Springfield MA** **8/12-4/13** I was assigned to **Plastipak Packaging** in East Longmeadow as a line tech from **8/23/12-10/26/12**. As well as from **12/21/12-1/8/13**. I was also assigned to **Simmons** in Agawam as a foundation line worker from **11/8/12-12/20/12**. Then I was assigned to **Sulco Warehousing** in Springfield, as a Forklift & Pallet jack operator from **3/21/13- 4/21/13**

**C&S Wholesale Grocers, Hatfield, MA 3/11-4/12 Order Selector** - picked orders from the warehouse and delivered them to the dock to be loaded onto trucks for shipment to customers.  
**Recycler** - separated all of the recyclable matter, such as plastic, wood and cardboard.  
**Porter** - kept the warehouse clean.

**Harvey Industries Inc., Springfield, MA. 2/06- 3/10 Glass line Operator** - 100% inspection off the glass. Used hand tools to caulk and seal the windows. Used small powered truck's to move the product from one machine to the other. I also pitch in to help out my coworker's when they need it.

**Yankee Hill Machine Florence, MA. 4/05 - 09/05 Machine Operator**- operated multi - spindle drill machine. Set up and maintained machine, 100% inspection.

**Yankee Candle, Whatley, MA 9/99 - 7/04 Stock Handler** - Loaded and loaded machines. Operated forklift to transport pallets of finished and unfinished goods. Used hand held computer to log-in production / inventory information.  
**Candle Maker** - Inspected quality of finished products.  
**Machine Operator** - Operated filler and labeling machines.

**Spectran Specialty Optics, Co., Avon, CT 1997 - 1999 Machine operator** - Operated multiple chemical vapor dispersion lathe machine, braiding, stranding, and extruding machines. Performed set-ups and inspections.

**Summit Plastics, Florence, MA 1996 - 1997 Machine operator** - Operated molding machine to make plastic toys. Inspected finished products.

**Engineered Nonwoven, Westfield, MA 1994 - 1995 Machine Operator** - Set-up and maintained web stitching machines, cutters and loaders.  
Operated forklift to move pallets of product.

**Fuel Cell Operations (UTC), South Windsor, CT 1989 - 1993 Machine Operator** - Operated impregnation, micro-grinder, water jet cutter and double belt press machines. Setup and maintained equipment. Performed 100% inspection. Operated forklift to move pallets of product.
