## Work Experience

---

### **Field Technician**

Henry Company - Fairfield, NJ

June 2022 to January 2023

Supervised clients applying polyurea to surfaces such as inside water tanks, planters, parking garages etc, trained the clients on operation of the equipment provided to them along with proper application methods for the product and safety measures required, troubleshooting and repairing if needed any problems with the equipment or product. Traveled across the United States to clients' locations wherever needed. Obtained DOT permits. Created and trained others on DOT Driver Log. Handled hazardous material. On site technician for demonstrations.

### **Foreman**

Rolling Plains Construction - Henderson, CO

January 2020 to June 2022

Supervised and Trained the application of spray foam insulation, coordinated with contractors to complete work in sequence, filled out all necessary paperwork for what the job may require, supervised others to make sure the job went smoothly, safely, and cleanly.

### **Driver/Operator**

Betco Scaffolds - Hurst, TX

March 2018 to May 2019

### **Driver/Operator**

Suburban Transport - Louisville, KY

February 2017 to March 2018
