Work Experience

Delivery Driver/Warehouse

CERTIFIT AUTO BODY PARTS - West Milwaukee, WI

2020 to 2022

Picked parts for counter, dropped off parts to various shops, unloaded trucks

Building Maintenance Worker

Pat's Handyman Service Repair - Milwaukee, WI

2013 to 2020

Replaced defective equipment and parts using hand and power tools. Painted or repaired windows, doors, woodwork, floors, plaster & drywall

Machine Operator/Fabricator

Center Manufacturing - Milwaukee, WI

2009 to 2013

Set up and operated machines and tools, such as lathes, cutters, shears, borers, millers, grinders, presses, drills and other machines, in order to produce metallic and plastic parts, read blueprints and job orders to determine product specification and tooling instruction. Started and checked machines to determine if parts were ready for the run cart.

Plant Production Supervisor

Karona Inc. - Caledonia, WI

2006 to 2009

Supervised all daily operations and employees. Trained lead staff and monitored safety and OSHA/MSDS Books, along with time studies.

Education

High School in Diploma

South Division High School - Milwaukee, WI

College Degree in Leadership Training

Caledonia, WI
