## Work Experience

---

### **CNC Lathe Operator**

Earthbind Corporation-Tacoma, WA

October 2021 to May 2024

Operated and assisted in changing tools on CNC lathes, including Nakamura, Doosan and Haas models. Monitored aluminum and steel part production lines for scrap material accumulation, coolant levels, tool state and finished part tolerances down to 0.001in. Capable of running multiple machines concurrently. Zero accidents in nearly three years.

### **Computer Technician**

Memory Express-Calgary, AB

January 2016 to April 2021

Diagnosed, repaired and upgraded consumer and commercial computer systems. Provided comprehensive customer service, recommending repairs, upgrades and general computer cleaning. Maintained a comprehensive knowledge of all generations of computer hardware.
