## Work Experience

---

### **Machine Operator**

Rinker Materials - Littleton, CO

August 2016 to October 2019

I operate and maintain automated machines. I make sure they are cleaned, greased, and in good working order.

### **Foreman**

Riggs Tree Service Inc. - Enid, OK

February 2010 to July 2016

I worked for Riggs Tree Service for 6 1/2 years. For 4 of those years I have been a Foreman of a Bucket Truck crew. I also have experience operating a Sky Trim and Fecon. I was ACRT and CPR certified. I do job briefings, job safety assessment, and delegate each crew members job for the day. Daily I am required to communicate with the Co-op to receive details and instructions for the current areas that need service.

I have experience in reading maps. I also kept record of my crews timesheets, and accurate daily paperwork requirements. Immediate Supervisor (General Foreman)- Pace Harmon (580) 334-4755

References: Former General Foreman- JR Gerner (918) 752-4664

### **Warehouse worker/assembly**

Mathey and Dearman - Tulsa, OK

July 2008 to February 2010

Responsibilities

Pull, pack and ship orders. Unload inventory when it came in. Kept warehouse organized and clean by stocking shelves, moving products around with forklift or pallet jack and sweeping.

### **Warehouse Associate**

A+B Disturber - Okmulgee, OK

April 2007 to June 2008

Load trucks according to load sheets for next day delivery. Kept warehouse clean and organized. Scrubbed floor at the end of every night. Did warehouse maintenance as needed: painting, changing light bulbs, etc. also cleaned the front offices.
