### **Forklift Operator**

Corteva Agriscience-Maxton, NC

March 2024 to January 2025

- Operated forklift to safely and efficiently move materials, products, and equipment
- Loaded and unloaded trucks, ensuring proper placement of items to prevent damage
- Collaborated with warehouse team to organize storage areas for optimal efficiency

### **Forklift Operator**

Campbell Soup-Maxton, NC

January 2022 to March 2024

- Operated forklift to safely and efficiently move materials, products, and equipment
- Performed routine maintenance on forklifts, including inspections and minor repairs
- Maintained accurate inventory records by properly documenting incoming and outgoing shipments

### **Forklift Operator/Reach Truck**

Harbor Freight Tools-Dillon, SC

July 2020 to January 2022

Scan pallets from dock and loaded into warehouse. Put away empty pallets. I also would do work outside of my job duties with helping load picking.

### **Forklift Operator/Order Picker**

Champion

July 2017 to March 2020

I used order picker to build pallets for other associates to manage and send to be processed. I drove thru tight spaces, up and down from 20ft and higher loading boxes at different locations in warehouse to build pallets. I had the best numbers because I stayed on task.

### **Inspector**

2AM Group, LLC

September 2013 to June 2017

I inspected parts for Honda. I used gauges, meters, weight measurements, and tape measure. I modify parts and used power tools. I also drove the four wheelers and side by sides on a test track. I was also the only forklift operator on the staff. I moved parts in and around the plant.

### **Warehouse Manager**

Carolina Wholesale Floors

January 2006 to September 2013

I ran the warehouse. Cutting carpet and linoleum and loading. Loading flooring of all sorts for customers. Receiving truck loads of flooring using fork lift. I sold flooring and helped with filing selection sheets entering into computer.
