Hello, my name is Denise Meyer. I have been a medical transcriptionist for 35 years, doing work in all areas of acute care. My typing wpm is 110. I have a 99.9% accuracy rating. I am 59 years of age and am seeking a work from home full-time position. I live in Preston, MN, on a small farm. I have grown children and I have been married for 14 years. I have my own personal computer and a separate office to work from. I have high speed internet and wifi through Dishnet. I am very interested in this position and if offered the position, I will give you 110% of my abilities. I have a long career in the medical industry and have worked for many outstanding hospitals in the country including Mayo Clinic in Rochester, MN, M.D. Anderson Cancer Center in Houston, Tx, Texas Children's Hospital, The Texas Heart Institute, Hermann Hospital, University of Texas Medical Branch, St. Lukes Hospital, etc. Also while at Mayo Clinic, I held the position of Medical Transcriptionist/Medical Secretary in the Pediatric Oncology Department and was secretary to the chief of staff.

I appreciate your time and am very interested in this position.

Kindest Regards,

Denise Meyer
