Work Experience

Fuel Supply Logistics Manager

Pennsylvania Army National Guard - Philadelphia, PA

March 2017 to Present

- Manage the inventory levels of over 500,000 gallons of diesel fuel to ensure optimal levels at various fuel sites
- Plan the scheduling of necessary deliveries with third party vendors and made financial arrangements to satisfy delivery invoices
- Utilize comprehensive Microsoft Excel reports to manage delivery schedules and inventory levels
- Operate 2,500-5,000 gallon fuel tanker trucks to transport and distribute gasoline and diesel fuel
- Coordinate route plans in challenging terrain for delivery tankers, tested fuel specification levels for the quality of the fuel delivered

Outbound Delivery Clerk

KLS Logistics - Philadelphia, PA

December 2021 to June 2022

- Contributed to the successful delivery of over 5,000 deliveries of ardent spirits across the Tri-State
- Operated SAP based warehouse management system to ensure 100% accuracy of loading of outbound shipments
- Successfully processed shipping documentation for 100% of all outbound deliveries

Supply and Logistics Clerk

Field Maintenance Shop - Philadelphia, PA

November 2018 to December 2021

- Utilized an SAP based logistics management program to perform in depth logistics and supply transactions in support of five different automotive support companies
- Facilitated the success of recovering over 300 parts and tools resulting in over 10,000 dollars return to the shop's spending budget
- Successfully processed over 100 automotive part deliveries for outstanding vehicle work orders, meeting the supply needs of the mechanics in a short suspense
- Controlled and managed inventory of over 5,000 lines of equipment by use of in-depth Microsoft Excel analysis reports

Education

Bachelor's degree in Psychology

Kutztown University of Pennsylvania

January 2014 to December 2017
