I am a very punctual and up beat kind of person. I like to take on new challenges and over come obstacles as they come. I consider myself to be a very organized individual and I love to work with my hands as well as my brain.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Delivery Driver

DoorDash-Thornton, CO

March 2019 to Present

I deliver food and groceries using navigation and the door dash app.

Order Picker/Forklift Operator

ResourceMFG-Denver, CO

November 2018 to March 2019

I drive a forklift in order to pick and pull material. I am responsible for packaging material and making shipping labels and keeping track of inventory using logistics systems

Mechanical Assembler II

Air Squared Manufacturing Inc-Broomfield, CO

June 2016 to October 2018

During my time at air squared, I had to assemble stationary and moving parts using hand and power tools and precision tools to gauge and stay in tolerance to produce efficient products. I was responsible for evaluating problems with components and trouble shooting issues to resolve these problems. I had to schedule my work orders as well as delegate the workers in my assembly cell and work closely with engineers to provide a quality product in a timely manner.

Additional Information

- I have worked in mechanical assembly for the last 4 years. I have worked with a variety of different hand tools as well as power tools.
- I have had to use schematics to put together product and use problem solving skills to evaluate issues and decide what the best way to fix those issues might be as well as pay attention to detail as to inspect product for damages.
- I have also done some work in construction and demolition fields as well as some light warehouse logistics.
- I have used forklifts and have a decent skill level with them.
- Overall I'm very hardworking and adaptable.
