Work Experience

Welder

Aerotek (Johnson's screens)

New Brighton, MN

May 2013 to June 2013

Weld pie pieces for oil Refinery screen unit. Required vices and fixture to assemble and welded using spray mig and hand controlled tig. Tolerances were within 2 mm and material was MS. Grinding and finishing were required on corner welds.

Welder

Zierke Built MFG.

Winnebago, MN

March 2013 to April 2013

Weld diesel fuel tanks/fuel trailers using GMAW according to customer specifications. Skills include: blueprint, GMAW, PAC (plasma cutting), and the use of an iron worker.

Shop Hand

B and D Metal Works-

Wells, Mn

November 2012 to January 2013

Help with daily tasks including unloading and stocking of metal materials using forklift and physical means. Operate shear, punch, saw, and reading of blueprints to assemble and weld customer products.

Welder

CAB Construction -

Mankato, MN

August 2012 to November 2012

Assemble and weld diesel fuel tanks for generators. The job required hard wire .035 with pulse and short-arc Mig. The product also needed to be spatter free, so sanding and chipping are required.

Welder

TBEI (Crysteel) -

Lake Crystal, MN

April 2011 to August 2012

Weld dump truck bodies specifically frames. Job required the use of .045 wire in spray transfer mode along with the use of .035, on stainless and mild steel. Welded to print and to WPS settings in flat, horizontal, and overhead positions.

Welder

Jones Metal Products -

Mankato, MN

December 2011 to February 2012

The job required the use of Mig and Tig applications to weld in accordance to blueprints and verbal communication. Assembled parts to print and also weld with welding symbols in metric and conventional measurements. I also used and developed jigs/fixtures to streamline processes.

Bouncer

Choppers Bar and Grill -

Mankato, MN

May 2010 to June 2011

Check Id's and clean up. Occasionally you have to enforce/deter harmful situations

Sales Associate

GNC -

Coon Rapids, MN

October 2007 to January 2010

Assist customers with questions and help them find a suitable choice for their lifestyle and goals. Check inventory, stocking and facing supplements when not with customers.

Education

Exercise Science

MNSU -

Mankato, MN

2008 to 2011

Pre-Engineering

Anoka Ramsey Community College -

Coon Rapids, MN

2006 to 2008

Skills

GMAW (SS,MS, AL), GTAW (SS, MS) blue-print reading/weld symbols, sanding/finishing, power tools, measuring, strong math skills, computer literate. Hardworking and excel in a team oriented atmosphere.
