WORK EXPERIENCE

Retail employee

HobbyTown USA - Fort Collins, CO -

2017-11 - Present

Front register and general knowledge on things hobby. All work consists of face to face interactions with customers to assist in projects that they are currently working on or are planning out. Great customer service and problem solving skills are a definite requirement for the position.

Direct Care Professional

The Tunland Corporation - Fort Collins, CO -

2015-10 - 2018-03

After a few years of volunteering as an EMT, I decided I needed to slow it down a bit. Emergency medicine isn't for everyone, but I still had a passion to help people in need. I was hired at The Tunland Corporation and fell in love with helping teens and adults with developmental disabilities. I am CPR and QMAP certified and have taken numerous training sessions on handling situations involving people with developmental disabilities, along with care for non mobile clients to assist with daily activities and home and hygiene care. Most all of my scheduled shifts took place in the clients home and was one on one care.

EMT Reserve Lead

UC Health - Fort Collins, CO -

2014-08 - 2016-08

Certified EMT volunteer position. Responsible for all duties and requirements of full time paid EMT. 12 hour shifts aboard full size ambulance with certification in intravenous therapy, BLA, CPR, and EKG interpretation. Also responsible for working any solo assignments for large gatherings including football games, fourth of July celebrations, and any large scale events.

Shipping Receiving Specialist and stocking lead

REI - Fort Collins, CO -

2009-11 - 2014-04

Responsible for all shipments coming into and out of the building. Responsible for scheduling, packaging, weighing, unloading and loading of daily trucks. Fluent in many shipping/receiving computer programs and tools.

Also responsible for making sure all product received is scanned into inventory and insuring that all product is properly displayed and stocked on retail showroom. Stocking duties also included the ability to stock a well organized warehouse and making sure inventory checks are being made regularly.

EDUCATION

Two years of college courses

National and State Certified EMT in Emergency Medicine, EKG interpretation, IV Therapy, Medical Terminology

Front Range Community College - Fort Collins, CO

SKILLS

Microsoft Word, SAP, Fed Ex ground, experience on many handheld inventory and shipping/receiving devices.

AWARDS

Award of Appreciation REI

Award of Appreciation REI

2013-01

Second award for outstanding service and excellent work ethic. Given to one or two employees at the end of year, full store staff meeting.

CERTIFICATIONS/LICENSES

Emergency Medical Technician

ADDITIONAL INFORMATION

I have many skills in customer facing positions as well as in warehouse settings and very high stress environments. I also have years of volunteer work experience. I'm a great problem solver and hard worker and get along with everyone that I meet. I feel that I would be a great addition your company and look forward to hearing back from you. Thank you.
