What would you change or improve at this company? \_\_\_\_\_

What does your new job offer that your job with us does not? opportunity to express creativity

What is your next job? furniture assembly

Dear CMG

Just wanted to let you know I did not leave because of being upset or disappointed.

I took this job as a filler because I do not believe in living on an employment

Thank you for the opportunity to work for the three months that I was here.

One thing we do at new job is everyone in production does five minute stretch at start of shift and after lunch.

I am now working at Halcon

Thank you

Jerry Monson
