## WORK EXPERIENCE

### **Watercraft Engineer**

U.S. Army - Fort Eustis, VA -

2013-11 - 2017-09

Took on positions which includes training, leading, staying fit, and being proficient as a diesel mechanic. Well acquainted with different hand and power tools. Versed in different cultures and backgrounds for personnel management and communication. Conducted troubleshooting procedures along with proper PMCS (Preventive Maintenance Checks and Services). I have worked on Detroit Diesels, Caterpillar, and Cummins engines. I also have some experience on outboard motors. Has had zero safety violations.

### **Warehouse Worker, Puller, Packer, Scanner**

TBK Wholesale - Fort Mill, SC -

2012-10 - 2013-10

I would be in charge of going out on the farm and pulling specific items for the orders that day. I have also taking specific orders and packed them to the standard so they can be sent down to be scanned into the FedEx system, which I have also done.

### **Warehouse Worker**

CBC - Charlotte, NC -

2011-06 - 2012-09

Shipping and receiving of product in and out of the warehouse. Organizing the warehouse as well as pulling orders. I was also a delivery driver.
