I understand and acknowledge that if I do not provide a voided check with this direct deposit form, I am responsible for any delays in payroll or extra costs incurred if the account number that I provide is incorrect.

Initial: CT Date: 3/6/2015

- To help us avoid making an error, please attach a copy of a voided check (a deposit slip will not work).
- If you change banks, do not close your old bank account until your direct deposit has started at the new bank, which may take 2 pay periods.

SECTION 4 PAYROLL DEBIT CARD (GLOBAL CASH CARD)

Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. In order to request a Payroll Debit Card for you, we must provide all of the following information that will enable the financial institution to identify you. If you do not submit a Direct Deposit/Payroll Debit Card Authorization, ESSG will provide the necessary information and issue you a Payroll Debit Card to pay your wages. For your protection, the financial institution may ask you to provide them additional identification information so they can verify your identity.

Except for the routing and account number, ESSG does not have access to any information regarding your Payroll Debit Card account or transactions. On your first payday, you will receive your new Payroll Debit Card, and a packet containing all of the terms and conditions. You will then sign acknowledging that you received the Payroll Debit Card and packet. Your Payroll Debit Card will be reloaded on each payday you receive wages.
