Work Experience

Runner

Celestica - Rochester, MN

March 2018 to Present

I work on computers all day I clean restock and supply people constantly I encourage my coworkers to do better and if any time there is a problem I try every way I know to solve it or I find somebody with more experience and have them teach me I learn fast and adapt to my surround fairly quickly

Education

NA

Austin High School

Additional Information

I would like to work in the mornings from 7:00A.M to 3:30 P.M the only reason is because I am still attending school and have to attend my night classes in order to graduate I would like to use this job to expand my opportunity for my future I have no problem being flexible with my hours neither
