Authorized to work in the US for any employer

Work Experience

Iron Worker

LIW - Ramsey, MN

April 2019 to Present

hang beams, erect columns, mig weld, stick weld, fabrication, weld decking, proficient with oxy acetilene torches/plasma cutting, fabricate stairs, read some blue prints, drive some heavy machinery etc

Salesman

TruGreen - Burnsville, MN

February 2018 to Present

Inside and outside salesmen. Work a lot on the phone and also doing door to door sales

Rail unloader

Terminal Operations Management - Cottage Grove, MN

February 2017 to April 2017

Worked here for a short amount of time. The work conditions and hours were too much. Most days would end up being 15 hour shifts. But it was a good job, I learned a lot. We would unload brand new vehicles out of trains and put them into a huge parking lot for holding until they would be shipped out to the actual dealerships.

Manager

Paradise Car Wash and detail center - Burnsville, MN

August 2016 to February 2017

i am a manager in the detail side of the car wash, i typically manage 4-8 guys on an average day and run the shop detailing the insides of cars, trucks, and boats i also know how to high speed buff so i do most of the buffing there.

Tow Truck Driver

Bobby and Steve's Auto World - Bloomington, MN

May 2016 to August 2016

tow vehicles to dealerships or auto body shops to have repairs. i would typically drive a dodge dully "wrecker" or a freighlinger semi "flatbed" was laid off due to amount of work they had for us and i was the newest guy working.

Host

Old Chicago Pizza and Taproom - Eden Prairie, MN

July 2015 to April 2016

i would take reservation, bring people to their tables, answer phones when people would call for to go food and write them down and put it into a computer. Handle money for to go food, also help out the kitchen and servers when we were busy, and clean and stock the back room.

Employee

Tropical Smoothie Cafe - Savage, MN

December 2014 to July 2015

This was one of my first jobs. We would all pretty much do everything in the store. Make smoothies, make food, cash register, stock the back room, and also prep the food and smoothie ingredients and bring them up to the front. Very fun job I learned a lot about the food industry and a lot about my self and my work ethics.

Construction Worker

james michael contracting - Prior Lake, MN

2009 to 2015

this is my fathers company, i learned how to build a house from the ground up, i can hang drywall, frame houses, build decks etc.

Education

Welder in Welding

Dakota County Technical College - Rosemount, MN

August 2018 to May 2019

generals in generals

Prior Lake High School - Prior Lake, MN

2012 to 2016
