Work Experience

Key Employee

Jimmy John's - Fort Collins, CO

January 2018 to Present

I started working at Jimmy Johns having never eaten there before. I had a lot of knowledge and skills to master quickly to keep the store freaky fast. I'm always looking to move forward, and a year now at Jimmy Johns has trained me with the skills to do so there. I'm looking now for a new opportunity to be trained with skills beyond what I know, to always be an A team player.
