

Tylyn Bornemann

Welder for hire.

Bismarck, ND 58504

tylynbornemann3_3hz@indeedemail.com - 701/301-9643

A multi-skilled, talented and confident welder with a practical background of welding steel and other metal components. I possess extensive knowledge of specialist welding machines and tools, including their designs, uses, repair, and maintenance. I am an excellent communicator, who can relate well with people on all levels. I have the flexibility of working well as part of a team and individually.
