## Work Experience

---

### **Ranch work// Crew leader**

Private owner - Mead, CO

January 2017 to Present

Do ranch work for an owner of a property. Able to work in worst conditions hot or cold. Able to operate tractors and leave everything at its best condition. Mechanically Enclined tondo basic maintenance as in oil changes, injectors, Filters. Have come up with custom inventions when it had cake to making customs bins for food, water, custom fence work done as well.

### **Crew leader**

La Foundations/ Foundation concrete walls and flatwork - Longmont, CO

February 2013 to March 2016

Crew Leader of my own small Group on foundation walls and flatwork. Have had great reviews on my work. Biggest Crew ever runned was 12 People. Was always first on site and last to leave to check progress and make sure everything at its best condition.

## Education

---

### **Diploma**

## Additional Information

---

Very quick at picking up in training. Will complete job or task no matter how long it takes. Can as well work weekends.
