- Appliance Sales
- Kitchen Design
- Countertops
- Computer Skills
- SPC
- Computerized Gages
- Optical Gages
- Calipers
- Cashier
- Payroll
- Supervisor
- Hiring/Training/Firing Employees

Experience:

Pierson Farm Operations, Pierson, FL 2008-2015

Owner/Operator

Responsible for managing all organic farming processes. Raised animals on the farm including pigs, cows, turkeys and chickens to be sold to private individuals. Sold eggs to small business owner who sold to organic food distributors.

Lowe's, Lakeland, FL 2001-2006

Kitchen/Cabinet Specialist

Responsible for assisting customers with home and commercial kitchen design and cabinets. Utilized computerized system to create designs, measurements and scheduled contractors to install the design. Visit the job site to ensure outstanding customer service and assess a quality install. Also sold appliances and acted as a cashier for each of my jobs quoted and purchased.

West Pharmaceutical Company, Clearwater, FL 2000-2001

Quality Control Specialist

Responsible for maintaining strict quality control for rubber top vials for pharmaceutical drugs. Size, shape and color were consistently checked for accuracy using optical gage, calipers and a depth indicator gage.

Breed Technologies, Lakeland, FL 1995-2000

Line Supervisor

Responsible for running an air bag production line. Oversaw 12 employees. Responsible for maintaining quality control on each product using statistical process control (SPC). Utilized computerized gages.

Volunteer:

Cub Scout Leader, Troup 321, Thornton, CO 2017-present
