## Work Experience

---

### **Production Worker**

AZZ Galvanizing - Minneapolis, MN

October 2019 to January 2020

Metal finishing, production, general labor, grinding, deburring, cleaning metal parts. Palletizing, banding, shrink wrapping materials, metal parts, for shipment.

### **Mechanical Assembler / Welder**

Atlas Staffing, Inc - Minneapolis-Saint Paul, MN

April 2017 to September 2018

I assembled and fabricated aluminum and steel parts. I used jigs and fixtures to fabricate parts through mig and flux core welding.

### **Assembly Production Associate**

Crystal Finishing Systems, Inc - River Falls, WI

February 2016 to June 2016

I worked on a assembly line, placed electrical materials on a conveyor belt. I assisted with hydraulics, and the production of electrical machinery. Duties also consisted of deburring, grinding, galvanizing, sanding, steel cutting using plasma torch, general metal finishing. Metal Fabrication consisted of mig, tig welding, flux core welding for heavier steel weighing 75 lbs and more.

### **Foundry Worker**

Dunn's Cast Metal @ Iron - Cleveland, OH

July 2013 to June 2015

Duties consisted of metal stamping, stationary engineering, making patterns for steel, aluminum, brass and cast iron parts to be produced.
