July 6, 2015
RE: VICTORIA HUMPHREY

July 6, 2015

To Whom It May Concern:

Victoria Humphrey is having side effects from treatment for her breast cancer. She will need at least 2 more weeks off of work to care for herself and for recuperation. I expect she will be able to return to work the week of 07/20/2015.

Sincerely,

Kathryn E. Farniok, M.D.
