Work Experience

Mechanical assembler

United Rotorcraft-Centennial, CO

March 2024 to Present

I build assemblies for military medical support vehicles. I have also done some work in logistics there as well.

Mechanical Assembler

Stolle Machinery Company-Centennial, CO

December 2020 to January 2024

I am a mechanical assembler 2. I put together sub assemblies, work on machines with the help of my blueprints. I work on various machines and put a lot of components together. I am able to use power tools and regular hand tools and am certified with an overhead crane.

Am a Tire Lube Technician

Walmart TLE-Commerce City, CO

March 2019 to November 2020

I do oil changes, tire installs, I also do fuel injections and headlight installs on vehicles and run the register.

Molder

Total Alloy Foundry-Memphis, TX

November 2017 to 2018

I worked in the molding department, my job was to prepare and close molds and sand cores, painting, drying etc.. I would also help out in the grinding department and sand blasting and the furnace.

Molder

Pearce Foundry West-Memphis, TX

December 2014 to 2016

I worked in the molding department, my job was to prepare and close molds and sand cores, painting, drying etc.. I would also help out in the grinding department and sand blasting and the furnace
